## CHARITIES:

Instilling a culture of philanthropy  
within our community!

For over 100 years Sturdy Memorial Hospital has been

committed to providing exceptional health care and emergency services to its neighbors in Attleboro and nearby towns. Taking its responsibility as a provider of health care seriously, Sturdy provides leadership in collaboration with public and private health organizations and local agencies to promote the importance of preventative health and wellness to further improve our community's population health. Sturdy embodies the essence of a community hospital through its commitment to meet the health care needs of our residents while retaining a strong record of patient safety and quality.

Chartered in 1935, the Rotary Club of Attleboro is a community service organization that donates over \$50,000 annually to local organizations that benefit the residents of Attleboro and Norton.

Their efforts support a variety of local needs, from soup kitchens and food pantries, to services for youth and the elderly. The club is also involved in Rotary International projects such as the eradication of polio, providing clean water and improving literacy.
